About

Delhi Technological University

Delhi Technological University has been a beacon of academic excellence and innovation for the past 83 years. The university has garnered recognition for being an eminent institution, known for its academic research and entrepreneurial excellence in a plethora of fields. Delhi Technological University has adopted the principles of knowledge, critical thinking, creativity and innovation at the core of its education policy, all while embracing integration, access and inclusivity. With an aim to provide a holistic education, conventional classroom teaching has been merged with innovative methods fostering curiosity and academic prowess in our students. From its inception as Delhi Polytechnic to its present-day identity as Delhi Technological University, the university has always championed the cause of providing students with a high-quality education that allows them to flourish in their chosen domains. Along with imparting knowledge, the University has achieved pioneering advances in undertaking creative and internationally relevant research and innovation over the years.

With 83 years of its long-established tradition of excellence in engineering & technology education, research and innovations, Delhi College of Engineering, (initially established with the name — Delhi Polytechnic) came into existence in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The institution was set up at historic Kashmere Gate campus as a follow up of the Wood and Abott Committee of 1938. It comprised of a multi-disciplinary and multi-level institution offering wide ranging programmes in engineering, technology, arts and sculpture, architecture, pharmacy and commerce. In 1952 the college was affiliated with University of Delhi and started formal Degree level Programmes. The department of Architecture later became the School of Planning and Architecture (SPA), now a Deemed University and Institution of National importance. The department of Arts and Sculpture became College of Arts and the departments of Chemical Technology and Textile Technology were shifted out en-block to mark beginning of the IIT Delhi at its new campus at Hauz Khas. Further expanding its academic reach, the Department of Pharmacy, evolved into the College of Pharmacy under the Directorate of Training and Technical Education, Delhi. The department of commerce was later abolished and the faculty of management studies of the University of Delhi was established. Delhi College of Engineering is thus the mother institution of a number of national projects including IITD, SPA, College of Arts and even the famous FMS.

Delhi Technological University (Cont.)

After the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi, DCE became Delhi Technological University. It is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas. Over its rich history of over 83 years, the institution has been serving the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and is globally well known for its outstanding education, research and innovations.

DTU remains committed to cultivating a culture where scientific research fuels technological advancement and technological ingenuity enriches scientific exploration so that science and engineering seamlessly converge. The University is dedicated to nurturing innovation by promoting industrially relevant projects, technology incubation, and research-driven education with the help of a dedicated Incubation and Innovation Foundation. With a strategic focus on cutting-edge research and development, DTU continues to expand its footprint in pioneering innovations, interdisciplinary collaboration, and entrepreneurial ventures.

Upholding and uplifting its long and remarkable history in education and research, the University currently offers various inter-disciplinary and industry relevant programs in Science, Engineering, Management & Allied areas at the undergraduate, postgraduate and doctoral level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions. Many alumni of the institute have achieved remarkable success both in India and abroad, bringing honour to the name of the University. Their contributions reflect the strong foundation and values instilled during their time at the University. DTU places great emphasis on nurturing national character, self-confidence, and leadership among its students and fosters an ecosystem that encourages creativity, imagination, and innovation. The University is committed to developing not only skilled professionals but also responsible, forward-thinking leaders. With its rich legacy and progressive outlook, DTU continues to empower students to make a lasting impact and stay at the forefront of global academic excellence.

Delhi Technological University (Cont.)

Vision

"To be a world class university through education, innovation, and research for the service of humanity"

Mission

- To establish centers of excellence in emerging areas of science, engineering, technology, management and allied areas.
- To foster an ecosystem for incubation, product development, transfer of technology and entrepreneurship.
- To create environment of collaboration, experimentation, imagination and creativity.
- To develop human potential with analytical abilities, ethics and integrity.
- To provide environment friendly, reasonable and sustainable solutions for local and global needs.

DTU | Department of Design

The strategic role of design through innovation in enhancing national and industrial competitiveness is recognised and underpins the national policy of India. To achieve this vision, Delhi Technological University has decided to provide facilities for excellent design education, research and training. The Department of Design is envisioned to pursue excellence in design thinking, design scholarship and design practice for the betterment of society.

Design is viewed as a driver of innovation and is recognised as a key differentiator for providing a competitive edge to products and services as well as tools, techniques and methods required in the practice of design suitable for the environment.

Vision

"To pursue excellence in design thinking, design scholarship and design practice for the betterment of humanity and planet earth."

Mission

1. To develop centres of excellence in service design, interactive design, product design, visual communication and allied areas.
2. To attract and nurture quality faculty with empathy having a passion for the growth of self and others.
3. To attract energetic, innovative students and enable them to emerge as creative and caring design professionals.
4. To create facilities for incubation, product development, transfer of technology and entrepreneurship.
5. To provide courses and facilities for other than design department students and faculty for developing inter-disciplinary activities.

Eligibility Criteria

For Admission to Master of Design (M.Des) Programme

- The candidate should have a minimum of 55% marks (50% marks incase of SC/ST/PwD) or equivalent grades in the qualifying degree for individual streams.
- The candidate should be a Graduate in a Professional Degree (i.e. 4-year Professional course) eg., Bachelor of Engineering, Bachelor of Technology, Bachelor of Architecture, Bachelor of Design and Bachelor of Fine Arts or any Equivalent Degree.
- The candidate should have also qualified through Common Entrance Examination for Design 2026 (CEED 2026) with a valid CEED Score card.

Admission Process

Online registration for admission process will begin from April 16, 2026 to May 15, 2026.

All applicants must register and submit their applications ONLINE via www.dtu.ac.in.

- The application process isn't finished until a hard copy of the filled-out online application is obtained and the registration fee has been paid online.
- When filling out and enrolling for the program, candidates are urged to confirm that they must meet all eligibility conditions. Any application that is incomplete for any reason will be rejected by the university.
- Merit list will be prepared on the basis of VALID, QUALIFIED CEED 2026 score and completion of online registration/application process. If two or more candidates have same CEED score, then the student having higher aggregate marks in graduation will be ranked higher. In case graduation marks are also same, then student elder in age will be ranked higher.
- The seats shall be allotted in accordance with the merit list and seat matrix.
- The eligible candidates need to report for admission rounds with the relevant documents.

Registration Fee

Registration fees is 1500 INR

The registration fee is to be paid online through credit/ debit card / net banking at the time of registration. The registration shall not be complete without the payment of the registration fee which is non-refundable and would not be adjusted towards any other fee. A convenience charge (online transaction) will be extra as per banking gateway on every online registration fee payment.

Admission Round

1. The tentative list of eligible candidates will be displayed on the university website. In case some seats remain unfilled then subsequent rounds of counselling may be conducted.
2. Candidates must deposit the requisite fee in the Account Section of DTU through DD in the favour of the "Registrar, Delhi Technological University" payable at New Delhi, without which admission will be invalid.
3. Relevant documents (refer page 07) must be produced for verification at the time of admission. If a candidate fails to report for admission, they forfeit their claim and the seat will be offered to the next eligible candidate in the order of merit.
4. The candidate (non-reported or withdrawn or admission not taken) will not be eligible for subsequent rounds and will only be eligible for the spot round.
5. On the day of the reporting, the candidate must present original documents along with self attested copy of the documents with two photographs that have been uploaded on the online application form.

A candidate can send an authorized representative to report for admission. The authorized representative must come with the duly signed authorization letter.

Documents

The candidates must report on the specified date & time with the following documents on the day of admission with the following original documents and one set of attested photocopies

- Two photographs
- Print out of the registration form
- Demand draft for the annual fee made in the favour of "Registrar, Delhi Technological University" payable at New Delhi.

A list of the following documents is also required for admission in the M.Des Program in DTU:

1. Date of Birth proof
2. All marksheets and degree certificate of 10+2 and graduation
3. Valid SC/ST/OBC/EWS/Persons with Disability Certificates whichever applicable, based on which reservation is claimed. OBC candidates must produce the NCL certificate issued in the current financial year (i.e., 01/04/2026 onwards) by competent authority to support their category.
4. Valid CEED 2026 Score Card
5. Medical Fitness Certificate

Seats Matrix for 2026-27

| Category | Specialisation | Product Design | Interaction Design | Visual Communication | Total |
|------------------------------|----------------|----------------|--------------------|----------------------|-----------|
| UR | Open | 5 | 6 | 6 | 18 |
| | PwD | 1 | 0 | 0 | |
| Total UR Seats | | 6 | 6 | 6 | |
| SC | SC | 2 | 3 | 2 | 7 |
| | SC-PwD | 0 | 0 | 0 | |
| Total SC Seats | | 2 | 3 | 2 | |
| ST | ST | 1 | 1 | 1 | 3 |
| | ST-PwD | 0 | 0 | 0 | |
| Total ST Seats | | 1 | 1 | 1 | |
| OBC | OBC | 4 | 4 | 3 | 12 |
| | OBC-PwD | 0 | 0 | 1 | |
| Total OBC Seats | | 4 | 4 | 4 | |
| EWS | EWS | 2 | 1 | 2 | 5 |
| | EWS-PwD | 0 | 0 | 0 | |
| Total EWS Seats | | 2 | 1 | 2 | |
